

<5th Year of Reiwa School Goals>

Think hard, Take initiative, Value yourself and others

~ Lots of smiles Lots of dreams ~

OWork towards your goals OWork until the end OWork well with others

Nice to meet you.

My name is Morinobe, and I am the new Principal at Kibikogen due to this year's staff reassignments. I am excited to see the seasonal changes in nature during the 35-minute commute from Soja. At the opening ceremony, I talked about Anpanman, a character with "Lots of smiles", and Doraemon, a character with "Lots of dreams." The children's eyes lit up as they listened, I was moved by this wonderful encounter. I am looking forward to working with you in many ways this school year.

This Year Started with the Aim "Dream~What I want to be~"

(Number of Students in April)

	Star	1st	2nd	3rd	4th	5th	6th	T
M	4	5	8	10	8	9	2	46
F	0	11	9	9	10	5	7	51
T	4	16	17	19	18	14	9	97

17 new students, for a total of 97 students!

This year, too, we will continue to support the children's better growth in pursuit of the school's educational goal, "Nurturing children who think carefully, work willingly, and care for themselves and others - full of smiles and full of dreams."

We will continue to ask the children about their "Dreams - What I want to be" as we did last school year. The entire teaching staff will work together to create a school that is safe and secure for the children and where they can fully demonstrate their abilities
