

<5th Year of Reiwa School Goals>

Think hard, Take initiative, Value yourself and others

~ Lots of smiles Lots of dreams ~

OWork towards your goals OWork until the end OWork well with others

It's Almost Summer Vacation! ~It Has Been a Fulfilling 1st Semester~

We are now in the last days of this semester. With the easing of restrictions on Covid-19, educational activities are now being held for the first time in XX years. The children participated in the "Community Sports Day," the "Kibi-no-Sato Furusato Festival," and the "Flower Bed Maintenance at the Medical Rehabilitation Center," while the maritime training program was also held for two days and one night after a long absence.

The Students also accumulated many experiences during the 1st semester, such as field trips, art appreciation events, and joint class in anticipation of integration. And we are happy to see them grow in confidence and strength with each event and activity they completed.

Thank you to all the parents and community members for your support and cooperation, and we look forward to working with you again in the 2nd semester.

Thank You for Participating in the Class Visit and First Aid Class

On June 16th (F), for the send visit to the school this year, we would like to thank the many parents who took time out of their busy schedules to attend. Some grades held class PTA activities, and it was heartwarming to see the smiling faces of the children as they enjoyed family interaction.

In Addition, firefighters from Okayama West Fire Station Kibichuo Branch Office gave a "First Aid for Life" lecture. We would like to thank the PTA's Public Relations and Safety Department for their help in preparing for the event and hosting and facilitating it on the day.

About PTA Open Pool

We are pleased to announce that this year, like the previous year, the PTA pool will be open to the public. it will be held for 8 days from July 24th (M) to 28 (F) and 31st (M) to August 2 (W). Please take care of your children's safety. We hope it will be a fun time for the children.

☆First School Management Council Meeting☆

The first meeting of the School Management Council was held of June 16th (F). First, an explanation for the school management plan for this school year was given. In which we discussed basic lifestyle, outdoor play, and the importance of communication between parents and children, and other topics. We received a variety of options for the committee members. We would like to reflect them in our future school management and further promote school educational activities. Finally, the participants visited the classes and were impressed by how calmly the students were learning.

ONE SHOT ~Scenes for Everyday Life~
