~Power of Words~

Every 3rd Sunday is
"Family Day". Please
eat dinner as a family

In the olden days, the Japanese called words "*kotodama*" and believed that words had mysterious powers. The idea is that **each word has power, and if you say it, it will do what it says.**

For example, the word "*ittekimasu*". This word has the meaning, **《I am leaving, but I'll be back》**. 『Fun!』 『It will work out!』 『It's alright!』 etc. **If you use positive words that are pleasant to yourself and others,** the power of words can change your future in a bright way. Some of you might have been encouraged or cheered up by your friends. Words of gratitude to friends, family and teachers "Thank you" and greetings "Good morning", "Hello", "Goodbye". When you say cheerful words, you and your friends will be cheerful. We hope that our school will be a place where such cheerful words resonate with each other.
