## ~Best Effort Made at the Town Swim Meet~

On July 21<sup>st</sup> (F), the town swim meet was held at our school.

This year, with the support of their parents, the children were even more enthusiastic than last year. In their daily lessons, students of all grade levels have been practicing hard to achieve their goals. Especially, the 5<sup>th</sup> and 6<sup>th</sup> graders were seen working hard and enthusiastically in their efforts to prepare for the meet. On the day of the meet, they swam with their friends from all 9 elementary schools and were able to demonstrate their abilities.

## ~The 2<sup>nd</sup> Semester Has Started~

With the start of the 2<sup>nd</sup> semester, the smiles and energy of the children have return to the school.

At the opening ceremony, the children were told that the 2<sup>nd</sup> semester is a long one filled with many big events

(mountain school, school trip, the athletics meet, study presentations, etc.) and that they should “take on challenges (even small ones)” and “find and tell good points (about themselves and their friends)”. We would like to ask for the warm support and cooperation of all parents and community members so that this semester will be another fruitful one for the children.

Also, the awards for this summer’s Town Swim Meet were presented.

The children’s continued efforts for the meet were very impressive.

## ~Thank You PTA for Your Service Work!~

On Saturday, August 26, PTA service work was held with the participation of parents, students, and faculty. Weeding, ditch cleaning, classroom window cleaning, etc. The PTA members were divided into several groups and worked on weeding, ditch cleaning, and window cleaning in the classrooms. Thank you very much for your cooperation in spite of the hot weather. We were able to start the second semester in a pleasant environment.
